+ + On Line Learning Programme Available.

* **Education Perfect** – This is an online learning platform which is an optional learning extra for students. Subjects this would be helpful in are Maths & Languages.
The cost for a 1-year subscription is \$20.00 per student, as advised by the subject teacher.

* **Workbooks** – All workbooks & study/revision guides are optional to purchase, as advised by the subject teacher.

* **Scientific & Graphic Calculators** – it is optional if students wish to purchase their own personal calculator, otherwise class sets can be shared during class time only.

Please Note: For NCEA external exams or mock examinations, students will need to have their own personal calculators. These will not be provided at examinations.

* **Textiles** – If a student wishes to take home a project after completion, the cost of materials for that project will need to be paid at the school shop, in these circumstances the teacher will advise parents & parents can choose to purchase or not the project.
