### **+ + On Line Learning Programme Available.**

\* **Education Perfect** – This is an online learning platform which is an optional learning extra for students. Subjects this would be helpful in are Science Maths & Languages.  
The cost for a 1-year subscription is \$20.00 per student, as advised by the subject teacher.

\* **Workbooks** – All workbooks & study/revision guides are optional to purchase, as advised by the subject teacher.

\* **Scientific & Graphic Calculators** – it is optional if students wish to purchase their own personal calculator, otherwise class sets can be shared during class time only.

Please Note: For NCEA external exams or mock examinations, students will need to have their own personal calculators. These will not be provided at examinations.

\* **Textiles** – If a student wishes to take home a project after completion, the cost of materials for that project will need to be paid at the school shop, in these circumstances the teacher will advise parents & parents can choose to purchase or not the project.

## **Optional (Extra- Curricular) Activities**

Participation in all of the following activities is optional.

Visiting drama or music groups (non-curricular).

Weekend sports teams/activities – incl. sports uniform.

After school/lunchtime sports teams/activities – incl. sports uniform.

After school/lunchtime culture activities.

Music Tuition – extra-curricular.

Instrument Hire – extra-curricular

Trips – Non Curricular (Optional)/Tours

The activities will incur a cost which parents will be expected to pay before the activity commences.
